

Bernheim Arboretum & Research Forest --

Highway 245, Clermont, KY

A 250-acre arboretum, lakes, Visitor Center with art gallery and shop, and over 35 miles of trails through natural forest. Youth programs and guided tours available. On the first Saturday of every month children and adults can explore their connections with nature by visiting fun and informative Nature Exploration Stations at Bernheim's award-winning Visitor Center.

Clifty Falls State Park --

1501 Green Road, Madison, IN

Clifty Falls State Park is located near Madison with entrances off state roads 56 and 62. The name Clifty Falls paints a beautiful picture in your mind. Winter and spring hiking shows the falls at their best while the rugged splendor of the creek and canyon offer exciting scenery year-round.

Forest Discovery Center --

533 Louis Smith Road , Starlight, IN

Discover the wonders of the forest and learn how valuable one tree can be. Created to celebrate this ever-renewable resource, The Forest Discovery Center lets you experience the beauty and richness of our woodlands. Wander through an indoor forest, past a 1000 sq ft mural created from small wood inlays, using an age-old technique called marquetry. Hands on activity center; computer games; observe craftsmen at work in the workshop; A glass-enclosed skyway connects the Discovery Center to Koetter Woodworking's state-of-the-art manufacturing plant.

Highfield Discovery Garden --

10405 Springfield Pike, Woodlawn, OH

Highfield Discovery Garden is a place for growing. A tree grows from an acorn. A butterfly grows from a caterpillar. A giant flower grows from a tiny seed. And a child grows from the discovery of a lifetime.
